Consent of the owner/HOA to the placement of electronic communications network (ECN)

Dear Partners,

We hereby ask you – owner of the building / HOA (homeowners association) managing the common parts of the building – to grant your consent to the placement of ECN.

After the completion of this project you and the occupants of the building will have opportunity to use a broad portfolio of services offered by our company.

Building in/on which ECN will be/is placed

Municipality/city district /cadastral area:	Street / on plot number:	Cadastral area No.:	No.:	Number of flats:
PRAHA 3-VINOHRADY	Bořivojova/2516/2	2421	17	

The building owner/HOA grants consent to UPC, operator of public communication network of electronic communications, to the placement of **internal communication lines of ECN in/on the building, namely** at the cost of UPC and provided that under this consent, UPC is authorized to install and operate internal communication lines of ECN in/on the building.

The owner/HOA agrees that provable notification of entry to the building shall mean a notification indicating the date of entry, purpose and brief description of the activities planned which shall be sent to the owner by electronic mail at the following email address: or posted at a suitable location in the building (entrance door, etc.), made at least 48 hours prior to the scheduled entry. A notification of entry is not required if the intervention is made upon the client's request (connection, disconnection, change of service, maintenance/servicing operation, etc.), in the event of an audit of ECN, disconnection of a client due to arrears of payment, and activities related to the signing of the Service provision contracts. The owner/HOA also agrees that UPC, based on the above-mentioned notification, is authorized to access the building to the necessary extent in connection with the above-mentioned activities, during repairs, maintenance of ECN and any parts thereof located in/on the building, and is obliged to restore the building into its previous condition after completion of such works and, if this is not possible due to nature of the works performed, into a condition corresponding to the previous purpose or use of the building.

Statement of the owner / HOA / representative

- I grant my consent to the placement of a multi-purpose ECN according to the below technical description
- According to the technical description which is attached hereto and forms an integral part thereof.
